

Pickering Hockey Association Members,

We would like to advise our membership that the Ajax Minor Hockey Association, Pickering Minor Hockey Association, and the Ajax/Pickering Raiders have entered into preliminary discussions involving the possible amalgamation which would include all 3 centers.

Ultimately, the membership of each respective organization has the final vote as to whether to accept the final proposal put forth by the boards. The OMHA has been made aware and will be involved in any discussions. More information will be provided along with a FAQ as it becomes available. Currently there are no timelines set until we are further down the process.

Pickering Minor Hockey Board of Directors.
